ORAL SKILLS (30 MARKS)

1. Read the narrative below and answer the questions that follow

The Two Frogs

Two frogs were neighbors. One lived in a deep pond, far removed from public view; the other lived in a gully containing little water, and crossed by a country road. He that lived in the pond warned his friend, and entreated him to change his residence and to come and live with him, saying that he would enjoy greater safety from danger and more abundant food. The other refused, saying that he felt it very hard to remove from a place to which he had become so accustomed. A few days afterwards a heavy wagon passed through the gully, and crushed him to death under its wheels. There ends my story
