GOD’S HELP AND SELF HELP

The body is the temple of God

In the ancient times, Israelites worshipped God from temples

They had to travel from far and wide to go and worship God and offer sacrifices in the temple

Through the death and resurrection of our lord Jesus Christ, God lives in our bodies, only those who have accepted the salvation of Jesus Christ

Today we do not have to travel to the temple or churches to worship God

We can worship God anywhere anytime

Though we may worship God anywhere, it is still necessary to go to church to be encouraged and have our faith strengthened by others

1 Corinthians 6:19-20, Romans 12:1-3

St Paul teaches that:

Our bodies are the temples of God hence should be used well

We should allow God to transform our mind through the power of the holy spirit

We should offer our bodies as a living sacrifice before God

Sin makes our bodies dirty in the eyes of God

We should avoid all sins to make our bodies remain clean (drug abuse, sexual immorality)

As Christians we should appreciate our bodies and take good care of them

Wash your body to avoid bad smell

Various drugs and how they are used

A drug is a substance which when used it affects the normal functioning of the body

Medicine: these are drugs prescribed by the doctors when one is sick
Abuse: the wrong use of drugs and substances
Drug abuse: taking of drugs for non-medical purposes

Commonly abused drugs

Alcohol
This drug is cheaply and readily available in cheap quantities
It is abused through drinking
It is packed in bottles, sachets, and at times in a container
Some types of alcohol used in the society include:
  Changaa
  Muratina
  Busaa
  Mnazi

Genesis 9:24 states that Noah who took some wine and took off his clothes
His son saw the fathers nakedness and laughed
When he got sober and learnt about it he cursed him

Effects of alcohol
Drunkards are not able to think well
They walk in a staggering gait
Their bodies are weak to perform duties
Alcohol destroys the brain cell and liver
Alcoholic mothers give birth to babies with low weight

Tobacco/ cigarette
Tobacco is abused through:
Smoking
Sniffing
Chewing

People addicted to smoking are called chain smokers

Effects of tobacco
Lung cancer leading to breathing problems
Mouth ulcers and sores
Causes cancer of mouth and throat
Stained teeth and bad smell from their mouth
Non-smokers who inhale the smoke are affected

Bhang (cannabis sativa)
Also known as:
   Marijuana
   Grass
   Charas
   Ganja
   Hashish

It is abused through:
   Smoking
   Mixing with food and drinks

Effects of bhang
Causes loss of memory
Causes cancer of mouth, brain, throat and stomach

Sense of sight and hearing are distorted

Their eyes are always red

It leads to depression and finally madness

Miraa (khat)

An evergreen plant tree

Its young shoots are sold in bundles

Miraa is abused through chewing the green tender leaves

It helps one remain awake for long hours

Effects

Causes lack of sleep

Damages the brains

Causes lack of appetite

Slowed performance at work

May lead to infertility

Causes mouth ulcers and stomach ulcers

Heroine and cocaine

These drugs are abused through:

Sniffing

Injection

Smoking

Cocaine comes from a leaf known as coca

It has no smell
It is white, crystal and is like powder

**Effects**

They cause hallucinations
They are dangerous stimulants
Increase body temperatures and sweat a lot
They cause stroke and heart attacks
They cause liver and kidney failure

**Inhalants (glue, petroleum products)**

These are drugs that are abused through:

- **Inhaling**
- **Sniffing**

They are put in a bottle and brought closer to the nose

**Effects**

Cause brain damage leading to slurred speech
Breathing problems leading to nose bleeding
Sniffing causes dizziness and vomiting
Liver and kidney failure

**Ephesians 5: 18**

Apostle Paul teaches that:

We should not get drunk with alcohol because it has negative effects
Instead e should be filled with the Holy Spirit who influences our lives positively

**Preventing drug abuse**
Educating the users the dangers of drugs through drug fighting body NACADA: national agency for the campaign against drug abuse, ministry of education, ministry of health, parents, teachers, etc

Avoid the company of drug users

Stiff penalties should be issued to drug traffickers

Drug barons should be exposed to the public at large

Mass education through the radio, television, films, seminars, bill boards and posters

Young people should engage in active leisure and do something constructive

Sexual misuse

Sex is an act of intercourse between a male and a female

Sex is sacred/holy

Sex is ordained by God

Sexual misuse is having sex with wrong purpose

NB:

Our bodies are the temple of the holy spirit and they should not be misused

People should avoid irresponsible sex behaviors

Sex is meant for married partners

Ways of misusing sex

- Prostitution
- Adultery
- Homo sexuality
- Rape
- Incest
- Fornication
Bestiality

Prostitution
This is the act of commercializing your body for material gain
It is the work done by a prostitute

Hosea 2:5-7
It states of Gomer, Hosea’s wife
She practiced prostitution
She looked for lovers who would give her food, water, clothes, olive oil and wine
God was not happy

Prostitution is shameful, sinful and degrading
We should refrain from prostitution and work honorably

Adultery
This is the act of having sex outside the marriage bond
Exodus 20: 14
The seventh commandment states that “do not commit adultery”
Marriage partners need to love and respect one another
2 samuel 11: 2-15
It sates about David
He took Bethsheba, uriahs wife and committed adultery
He killed uriah trying to cover this sin
God sent prophet Nathan to warn him against these
God punished him through the death of his son
John 4:16

It teaches about a Samaritan woman at Jacob's well.

She did not have a defined husband, for she had five different men.

Homosexuality

This is sex between two people of the same gender.

God hates sexual intercourse between people of the same gender.

During the times of Moses, homosexuals were punished through stoning.

Rape

This is forced sex.

Rape involves use of violence.

Genesis 34:1-29

It states of Dinah, Jacob's daughter, who was raped by Shechem.

This act caused death to Shechem and his father, Hamor.

Rape cases are on the rise, and children are being molested.

Do not leave children with people who have questionable behavior.

Incest

This is sexual intercourse between relatives: father, brothers, sisters, cousins.

Leviticus 18: 6-18

God forbids us from having sexual intercourse with relatives.

1 Corinthians 5:1-3

It teaches that Paul was annoyed with a man who had sexual intercourse with the step mother.

He ordered this man to be expelled from the church.
Fornication
This is sex between two people who are not married
This is commonly practiced by young people who disobey God's commands
Young people should abstain from sex before marriage

Bestiality
This is sex between man and animals
Leviticus 18:23
It states that anybody who may have sexual relations with an animal is condemned by God

Effects of sexual misuse
Sexually transmitted diseases eg: syphilis, gonorrhea, herpes, chancroid, HIV/AIDS, etc
Early pregnancies which may lead to girls being affected physically, mentally and psychologically
School dropout for one may not remain in school and still bring up the baby
Early marriages
Death in case the girl may decide to abort and complication arise
Abortion is removal of foetus before the time of birth

Give 2 reasons why we should not conduct abortion
Which king committed adultery

Misuse of natural resources
A resource is an asset that can be used to generate wealth.

Natural resources are found in nature. These are things like trees, water, soil, air and minerals.

Human beings should be responsible and take care of the environment.

Human beings use the resources to derive their livelihood.

Man has misused the resources in the following ways:

Deforestation

This is cutting down of trees.

This causes:

- Soil erosion
- Global warming
- Change of rain pattern
- Famine
- Drying up of water reservoirs
- Desertification

Mining

This is the act of getting minerals from the earth's surface.

Effects of mining include:

- Open pits
- Breeding sites for mosquitoes
- Ugly sites
- Destroys fertile agricultural land
- A lot of dust from the mining area
- Mining interferes with eco-system
Pollution

This is the act of making dirty or impure

Pollution is caused on:

- Land
- Air
- Water

Chemicals released into water bodies make it unfit for drinking. It also causes waterborne diseases such as Typhoid, cholera, bilharzias, etc.

Air is polluted by the gases emitted from the loud noise from the music shops, vehicles.

Land pollution occurs when refuse is disposed anyhow anywhere.

Questions

Write down 2 effects of desertification.

Give three reasons why human beings take care of the environment.

The view traditional African society on the use and misuse of God's creation.

According to TAS, God is the creator of everything.

Man is in charge of all God's creation.

African man considers the earth as the mother because it provides for his food.

Some plants provide medicine for him.

Rivers were considered as sources of water.

Some places were considered sacred: God's dwelling place.

In the past, environment was given special care.

It was a taboo to destroy the environment.

Anyone who destroyed it was punished heavily.
The Christian teaching on the use and misuse of God’s creation

Genesis 1:11-29

All plants were created by God on the third day

On the fourth day He created heavenly bodies

On the fifth day He created animals which live in the water and the birds

On the sixth day He created all and animals and man

God created everything and for a purpose

Christians should:

Care for the environment

Use it responsibly

Preserve water catchment areas

Cultivate and guard it

Improve on areas already destroyed

Consider the earth to be the source of life and respect it

Questions

Write four effects of misuse of God’s creation

What did God mean by telling human beings to control His creation

Describe 2 ways in which people misuse animals

State one way in which rivers and lakes water is misused

How to respond to the misuse of God’s creation

CHAPTER TWO

CHRISTIANITY AND TRADITIONAL AFRICAN HERITAGE

African stories of creation.

In traditional African society, different communities had their own creation stories.

People in TAS believed that God is the sole creator.

Human beings are the most important of God’s creation.

TAS stories are called myths.

A myth is a story with a message.

Different communities explain how they were formed:

Agikuyu.

People of central Kenya believe that God created the universe.

He then created a man called Gikuyu.

God gave Gikuyu a wife called Mumbi.

They both lived at a place called Mukurwe wa Nyagathanga.

They had nine daughters.
Gikuyu offered sacrifices to God who offered nine handsome men to marry them

Thus the gikuyu community today

Akamba
They had a God called Mulungu, Ngai, Mwatuangi
He created the first man and woman
Let them down from heaven and fell on earth
They landed on a stone on Nzaui hills
God blessed them with many sheep cattle and goats
Akamba people are believed to have come from anthills

The Nandi
They believe to have come from a knee
The knee belonged to a certain animal
It got swollen and finally it burst
Out of it a man and woman
They became the first parents of the Nandi

Biblical teachings about creation

Genesis 1:4-13
The story of creation is illustrated in the bible
God is the sole creator
He created for 6 days the world and everything in it
He created human beings last
God gave him authority over all creation
The learners to give the order of creation

The relationship between the unborn, the living, the living dead and ancestors

In TAS, life was very important because it is given by God

Every stage of life was related to the other

None of the stage was important than the other

Life has no end

Life began before birth and it continued after death

Before children were born, they were considered as part of the society

A person who has died continues to be a member of the society

In TAS, life existed in four forms,

   The unborn
   The living
   The living dead
   The ancestors

Unborn

These were members of the society who were not yet born

Everybody in the society looked forward to the birth of the unborn

They were protected

Expectant mothers were given healthy food and avoided heavy duties

When children were born they became part of the family and community

They replaced the dead

Children ensured life continuity in the family, clan and community
The living

The other form of life is living

It is made up of the community who are alive

Once children were born they became living members of the community

The living dead

These are community members who died recently

Their physical appearance, behavior and character could still be remembered by the living members of the community

The ancestors

These are the community members who died long time ago

No living member of the community could recall them

Information about them is passed by the word to the next generation

They are important for they founded the clan

They are remembered in the history of the community

NB:

Ancestors and the living dead exist in form of spirit

Ancestors and the living dead influence the life of the living through dreams or visions

They are believed to be closer to God and therefore acted as mediators

They could warn people and rebuke any evil done in the family or community

In TAS, life began before birth, one was born, she/he then died
Christians also have ancestors also called patriarchs
These are people whose has greatly influenced the Christians

Genesis 13: 14-18, 50: 24-25, Mathew 1:1-17

In the book of genesis, we read the origin of the people of Israel
From Abraham, Isaac, Jacob and their children
The generations that existed before the birth of Jesus that took place in the new testament
Abraham, Joseph and David are the ancestors of Jesus
Christians share in the life of Jesus through believing in him

Quiz

What is the difference between the living dead and the ancestors
Write down three ancestors of Jesus
Mary the mother of Jesus received the good news about the birth of Jesus in?
How do the dead influence the life of the living

Continuity of life in Christianity and African traditions
Both Christians and people in TAS, believe that life is a gift from God and it has no end
There are differences between Christian understanding and traditional understanding concerning the continuity of life
