REST IF YOU MUST BUT DON'T QUIT

Life is queer with its twists and turns
As everyone of us sometimes learns
And many a person turns about
When they might have won had they stuck it out
Don't give up when the pace seems slow
You may succeed with another blow
Often the struggler has given up
When he might have captured the victor's cup
And learn too late when the night came down
How close he was to the golden crown
Success is failure turned inside out
So stick to the fight when you're hardest hit
It's when things seem worst
